Critical Appraisal of Vision Care Research

March 2015: UBC Department of Ophthalmology Grand Rounds:
Taking the Headache out of Migraine Treatment

September 2013: Copeman Healthcare Centre:
Botox - A New Wrinkle in the Treatment of Chronic Migraine

July 2013: Multidisciplinary Workshop:
Uveitis in Patients with Spondyloarthropathies

June 2013: University of Western Ontario
Department of Ophthalmology Guest Lecture:
*Why the Best Laid Plans of Mice and Men
Still Require Clinical Research*

May 2013: University of Winnipeg
Department of Ophthalmology Guest Lecture:
Reviewing the Results of the Age Related Eye Disease Study II

May 2013: CME for Vancouver Island Optometrists:
Role of Besivance in Bacterial Conjunctivitis

February 2013: CME for BC Optometrists: *Idiopathic Intracranial Hypertension*

October 2012: BC Opticians Association Annual Meeting:
Visual Disturbances

September 2012: CME for BC Optometrists:
Anatomy of the Pupil & Anisocoria

May 2012: UBC Neurology Undergraduate Department:
Anatomy of the Pupil & Anisocoria

March 2012: CME for BC Optometrists:
Hallucinations, Illusions and Delusions

November 2011: Workshop Participant:
Role of TNF drugs in Inflammatory Disease

October 2011: BC Association of Optometry Annual Meeting:
Review of Dry Eye

August 2011: *Evidence for Nutritional Supplementation in AMD*

May 2011: Whistler ER/GP CME:
Rheumatic Eye Disease

April 2011: Optometry/Ophthalmology Annual Dinner Calgary:
Restasis, Seeing Dry Eye Clearly

September 2010: UBC Neurology Undergraduate Department:

*Seeing Visual Disturbances Clearly: Hallucinations,
Delusions and Retinal Phenomena*

- June 2010: Canadian Ophthalmology Society
Annual Meeting Case Presentation:
Intermittent Diplopia
- May 2010: University of Alberta Department of Ophthalmology Grand Rounds:
Ophthalmic Use of Botox
- May 2010: University of Alberta Department of Ophthalmology
Academic half day teaching:
Ophthalmic Use of Botox
- April 2010: Optometry CME:
Facial Dystonias and Benign Facial Movement Disorders
- November 2009: GP Workshop for St. Paul's CME Annual Meeting
- October 2009: Multidisciplinary Evening on Rheumatic Disease:
Biologics in Uveitis
- October 2009: BC Optometry Annual CME Meeting:
Overview of the Canadian Dry Eye Guidelines
- September 2009: Multidisciplinary Talk to Rheumatologists:
Use of Biologics in Intraocular Inflammation
- August 2009: UBC Neurology Undergraduate Department:
Examining the Oculomotor System
- April 2009: Coordinator of BCSEPS
Annual General Meeting Academic Session:
Neuro-Ophthalmology and Orbit
- March 2009: Community Therapists OT and PT group:
Driving Vision
- March 2009: BC Opticians Annual Meeting:
Night Vision and Night Myopia
- January 2009: UBC Department of Ophthalmology Undergraduate Department:
Disorders of the Eyelid
- October 2008: GF Strong Occupational Therapists:
Determining Visual Fitness to Drive
- June 2008: Canadian Ophthalmology Society Workshop:
Visual Field Interpretation for Orthoptists
- June 2008: Canadian Ophthalmology Society
Annual Meeting Case presentation:

Diagnosis of Exclusion

- April 2008: UBC Department of Pharmacology Undergraduate Lecture for Second Year Pharmacy Students:
Over the Counter Ophthalmic Pharmaceuticals
- December 2007: Pfizer Annual General Meeting:
A General Ophthalmology Perspective on Glaucoma
- November 2007: Neuro-Ophthalmology UBC Clinical Day:
Metabolic Optic Neuropathies
- October 2007: UBC Ophthalmology Department Grand Rounds:
Neuro-Ophthalmic Pitfalls
- September 2007: Dalhousie University Department of Ophthalmology:
Neuro-Ophthalmology Rounds Guest Lecturer:
Cases in Neuro-Ophthalmology
- May 2007: UBC Department of Ophthalmology Conundrum Rounds:
A Case of Double Vision
- November 2006: UBC Department of Neuro-Ophthalmology Clinical Day:
Case Presentation of a Suprasellar Mass
- June 2006: Canadian Ophthalmology Society (COS)
Annual Meeting Workshop:
Retinoscopy for the Orthoptist
- May 2006: UBC Department of Neurology Undergraduate Department:
An Approach to Eye Movements and Eye Movement Disorders
- November 2005: UBC Neuro-Ophthalmology Department Clinical Day:
Updates on Optic Neuritis
- October 2005: UBC Department of Ophthalmology Grand Rounds:
Bilateral Disc Edema

Memberships in Professional Societies

- Member of the Royal College of Physicians and Surgeons of Canada
Member of the BC College of Physicians and Surgeons
Member of the Canadian Medical Association
Member of the Doctors of BC
Member of the Canadian Ophthalmology Society
Member of the Canadian Ophthalmology Society of Medical Evaluators
